Explanatory Note

On March 16, 2020, HC2 Holdings, Inc. (“HC2,” “the Company,” “our” or “we”) filed its Annual Report on Form 10-K for the fiscal year ended December 31, 2019 (the “Original Form 10-K”) with the U.S. Securities and Exchange Commission (the “SEC”). HC2 is filing this Amendment No. 1 on Form 10-K/A (this “Form 10-K/A”) because it will not file its definitive proxy statement within 120 days after the end of its fiscal year ended December 31, 2019. This Form 10-K/A amends and restates in its entirety Part III, Items 10 through 14 of the Original Form 10-K, to include information previously omitted from the Original Form 10-K in reliance on General Instruction G(3) to Form 10-K. The reference on the cover page of the Original Form 10-K to the incorporation by reference of portions of HC2’s definitive proxy statement into Part III of the Original Form 10-K is hereby deleted. In this Form 10-K/A, unless the context indicates otherwise, the designations “HC2,” the “Company,” “we,” “us” or “our” refer to HC2 Holdings, Inc. and its consolidated subsidiaries.

In addition, as required by Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), certifications by HC2’s principal executive officer and principal financial officer are filed as exhibits to this Form 10-K/A under Item 15 of Part IV hereof. Because no financial statements have been included in this Form 10-K/A and this Form 10-K/A does not contain or amend any disclosure with respect to Items 307 and 308 of Regulation S-K, paragraphs 3, 4 and 5 of the certifications have been omitted. We are not including the certifications under Section 906 of the Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”) as no financial statements are being filed with this Form 10-K/A.

Except as described above, this Form 10-K/A does not modify or update disclosure in, or exhibits to, the Original Form 10-K. Furthermore, this Form 10-K/A does not change any previously reported financial results. Information not affected by this Form 10-K/A remains unchanged and reflects the disclosures made at the time the Original Form 10-K was filed. Accordingly, this Form 10-K/A should be read in conjunction with the Original Form 10-K and our other filings with the SEC.

Analysis of Our Directors in Light of Our Business

We are a diversified holding company with eight reportable operating segments based on management's organization of the enterprise: Construction, Marine Services, Energy, Telecommunications, Insurance, Life Sciences, Broadcasting and Other, which includes businesses that do not meet the separately reportable segment thresholds. We expect to continue to focus on acquiring and investing in businesses with attractive assets that we consider to be undervalued or fairly valued and growing our acquired businesses.

Our Board has considered the experience, qualifications, attributes and skills of its members in light of our business and structure, and concluded that each of our current directors should serve on the Board. In addition, our Board has considered, among other things, (i) the risks and uncertainties associated with, and resulting from, the COVID-19 pandemic and (ii) the importance of Board continuity, Board experience and stability in light of the circumstances. In particular, with respect to each of our current directors, the Board considered:

- Mr. Gfeller's experience in the energy industry and prior experience in various executive positions, as well as his service on the boards of directors of publicly traded companies, coupled with his extensive financial and accounting training and practice.
- Mr. Barr's experience as a director in the telecommunications and technology industries and his knowledge regarding management consulting matters, which are valuable to HC2 and the Board, especially in light of its telecommunications operations.
- Mr. Falcone's success in the growth of HRG during his tenure as Chairman of the Board and Chief Executive Officer, as well as his extensive investment experience consisting of over two decades in leveraged finance, distressed debt and special situations.
- Mr. Hillman's experience in managing and restructuring businesses and prior experience in various executive positions, as well as his service as a director on other publicly traded U.S. and international companies and as a former audit/assurance partner of an international accounting firm.
- Mr. Leffler's experience in the media industry, as well as his service on the board of directors of HRG from 2008 until 2013 and Zapata, Inc. from 1995 to 2008.
- Ms. Springer's experience in both business-to-business and consumer marketing, having served in prior leadership roles at Experian, Analyte Media, Leapfrog Online and the Allant Group.

Certain Legal Proceedings Affecting the Company and the Board

On April 10, 2020, a purported stockholder of the Company filed a class action complaint in the Delaware Court of Chancery captioned *Tera v. HC2 Holdings Inc., et al.*, C.A. No. 2020-0275-JRS (the “Stockholder Litigation”). The complaint alleges that the Company’s consent revocation materials (i) contain misleading disclosures relating to the Certificates of Designation, (ii) fail to disclose that a majority of the Board may approve the Percy Rockdale nominees for purposes of the Certificates of Designation such that the Percy Rockdale nominees would be considered “Continuing Directors” (as defined in the Certificates of Designation) and (iii) inaccurately state that electing the Percy Rockdale nominees will cause a Change of Control (as defined in the Certificates of Designation) under the Certificates of Designation because it will lead to a person or group obtaining the power to elect a majority of the members of the Board. The complaint seeks (i) a declaration requiring the Board to approve the Percy Rockdale nominees for purposes of the Certificates of Designation, (ii) a declaration that the Board breached its fiduciary duties by issuing misleading disclosures and (iii) an injunction requiring the Board to issue additional disclosures relating to the Change of Control provisions in the Certificates of Designation. On April 19, 2020, the plaintiff amended his complaint to allege that the Supplement to the Consent Revocation Statement, filed with the SEC on April 17, 2020, contained misleading disclosures relating to the Certificates of Designation. The amended complaint seeks, among other remedies, (i) a declaration that the Board breached its fiduciary duties by issuing misleading disclosures; (ii) a declaration that, if a Change of Control could be deemed to occur under the Certificates of Designation, that such Change of Control provisions are invalid and unenforceable under Delaware law; (iii) an injunction requiring the defendants to issue corrective disclosures; and (iv) an order enjoining the Board from relying upon consent revocations received to date. On April 20, 2020, the Court of Chancery granted the plaintiff’s motion for expedited proceedings.

On April 15, 2020, the Board (with Mr. Falcone recusing himself because he is not an Independent Director) determined to approve the Percy Rockdale nominees, solely and specifically for the purposes of deeming them Continuing Directors pursuant to the Certificates of Designation, to avoid triggering, and to render inapplicable, such prong of the Change of Control definition. On April 17, 2020 and April 21, 2020, each of the holder of the Series A Preferred Stock and the holder of the Series A-2 Preferred Stock, respectively, and, in each case, entitled to give a waiver, agreed that such holder will not seek to exercise its right to require the Company to redeem the shares of such Series A Preferred Stock or Series A-2 Preferred Stock, as applicable, if such redemption right were to arise as a result of the outcome of the Consent Solicitation based on one of the Change of Control prongs of the Certificate of Designation (which prong may require the Company to make an offer to redeem the Preferred Stock if any person or “group” (within the meaning of Rules 13d-3 and 13d-5 under the Exchange Act) obtains the power to elect a majority of the members of the Board). Therefore, in light of the foregoing, if the Percy Rockdale nominees become a majority of the Board pursuant to Percy Rockdale’s consent solicitation, the Company will not be required to offer to redeem the shares of the Series A Preferred Stock and the Series A-2 Preferred Stock. On April 23, 2020, the parties agreed that the waiver and additional disclosures, combined with the prior disclosures and approval of Percy Rockdale’s nominees as Continuing Directors, mooted the need for expedition and a preliminary injunction hearing, and the parties informed the court that the plaintiff was withdrawing its request for expedition and a preliminary injunction. In exchange for the plaintiff agreeing to withdraw its request for preliminary injunction, the parties agreed to allow the plaintiff to reserve the right to challenge the validity of the consent revocations received prior to the mooted actions in the event that Percy Rockdale loses the consent solicitation and the number of revocations received prior to the mooted actions were determinative of the outcome of the consent solicitation.

Certain Legal Proceedings Affecting Mr. Falcone

On September 16, 2013, the United States District Court for the Southern District of New York entered a final Judgment (the “Final Judgment”) approving a settlement between the SEC and Harbinger Capital, Harbinger Capital Partners Special Situations GP, LLC, Harbinger Capital Partners Offshore Manager, L.L.C., and Philip A. Falcone (collectively, the “HCP Parties”), in connection with two civil actions previously filed against the HCP Parties by the SEC. One civil action alleged that Harbinger Capital Partners Special Situations GP, LLC, Harbinger Capital Partners Offshore Manager, L.L.C., and Mr. Falcone violated the anti-fraud provisions of the federal securities laws by engaging in market manipulation in connection with the trading of the debt securities of a particular issuer from 2006 to 2008. The other civil action alleged that Harbinger Capital and Mr. Falcone violated the anti-fraud provisions of the federal securities laws in connection with a loan made by Harbinger Capital Partners Special Situations Fund, L.P. to Mr. Falcone in October 2009 and in connection with the circumstances and disclosure regarding alleged preferential treatment of, and agreements with, certain fund investors.

The Final Judgment barred and enjoined Mr. Falcone for a period of five years (after which he may seek to have the bar and injunction lifted) from acting as or being an associated person of any “broker,” “dealer,” “investment adviser,” “municipal securities dealer,” “municipal adviser,” “transfer agent,” or “nationally recognized statistical rating organization.”

During the period of the bar, Mr. Falcone may remain associated with Harbinger Capital and certain other Harbinger Capital-related entities; provided that, during such time, Mr. Falcone’s association will be limited as set forth in the Final Judgment. The HCP Parties must take all actions reasonably necessary to expeditiously satisfy all redemption requests of investors in the Harbinger Capital-related funds, which may include the orderly disposition of Harbinger Capital-related fund assets. In addition, during the bar period, the HCP Parties and certain Harbinger Capital-related entities may not raise new capital or make capital calls from existing investors. The Final Judgment required the HCP Parties to pay disgorgement, prejudgment interest, and civil penalties totaling approximately \$18 million. In addition, certain of the activities of the HCP Parties at the Harbinger Capital-related funds were subject to the oversight of an independent monitor for two years.

Additionally, on October 7, 2013, HRG, Fidelity & Guaranty Life (f/k/a, Harbinger F&G, LLC, “FGL”), a subsidiary of HRG, Fidelity & Guaranty Life Insurance Company of New York (“FGL NY Insurance”), a subsidiary of FGL, and Mr. Falcone delivered a commitment (the “NYDFS Commitment”) to the New York State Department of Financial Services (“NYDFS”) pursuant to which Mr. Falcone agreed for a period of up to seven years that he will not, directly or indirectly, individually or through any person or entity, exercise control (within the meaning of New York Insurance Law Section 1501(a)(2)) over FGL NY Insurance or any other New York-licensed insurer. In connection with the NYDFS Commitment, neither Mr. Falcone nor any employee of Harbinger Capital, may (i) serve as a director or officer of FGL or (ii) be involved in making investment decisions for FGL’s portfolio of assets or any funds withheld account supporting credit for reinsurance for FGL. The NYDFS Commitment provides that: (i) Mr. Falcone may continue to own any direct or indirect interest in HRG and serve as an

officer or director of HRG and (ii) HRG may continue to own any direct or indirect interest in FGL NY Insurance and any other New York-licensed insurer. Any other activities related solely to FGL (other than FGL NY Insurance) are not prohibited and HRG executives may continue to serve on FGL's board of directors. In addition, in connection with its re-domestication to Iowa, on October 7, 2013, Fidelity & Guaranty Life Insurance Company ("FGL Insurance"), a subsidiary of FGL, agreed to the conditions set by the Iowa Insurance Commissioner that neither Mr. Falcone nor any employees of Harbinger Capital may serve as an officer or director of FGL Insurance or FGL (but FGL Insurance may request that the Iowa Insurance Division lift this restriction after five years) and neither Mr. Falcone nor Harbinger Capital will be involved in making investment decisions for FGL Insurance or any funds withheld account that supports credit for reinsurance for FGL Insurance for five years. Our Insurance Company is not licensed to operate in New York State, and does not currently operate in New York State; therefore, the ban does not apply to our Insurance Company.

In addition, Mr. Falcone is a named defendant in litigation in connection with certain personal financial matters. HC2 understands that Mr. Falcone continues to vigorously pursue his defense in connection with these matters, which may be time consuming and may result in the loss of certain shares of his investment in HC2.

Director Independence

The Common Stock is listed on the New York Stock Exchange (the "NYSE") under the symbol "HCHC." Under the corporate governance listing standards of the NYSE, at least a majority of the Company's directors, and all of the members of the Company's Audit Committee, Compensation Committee and Nominating and Governance Committee, must meet the test of "independence" as defined under the listing standards of the NYSE. The NYSE listing standards provide that to qualify as an "independent" director, in addition to satisfying certain bright-line criteria, the Board must affirmatively determine that a director has no relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. We have also adopted director independence standards included in our Guidelines (as defined below under "Corporate Governance Guidelines"), which our Board uses to determine if a particular director is independent.

In addition to the independence standards discussed above, members of the Audit Committee must satisfy enhanced independence requirements established by the SEC and the NYSE for audit committee members. Specifically, members of the Audit Committee may not accept, directly or indirectly, any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries other than their directors' compensation and they may not be an affiliated person of the Company or any of its subsidiaries.

Finally, in affirmatively determining the independence of any director who will serve on the Compensation Committee, the Board must consider all factors specifically relevant to determining whether a director has a relationship to the Company that is material to that director's ability to be independent from management in connection with the duties of a member of the Compensation Committee, including (1) the source of compensation of the director, including any consulting, advisory or other compensatory fee paid by the Company to such director; and (2) whether the director is affiliated with the Company, its subsidiaries or its affiliates.

In March 2020, the Board undertook a review of director independence. During this review, the Board considered, among other things, relationships and transactions during the past three years between each director or any member of his or her immediate family, on the one hand, and the Company and its subsidiaries and affiliates, on the other hand. The purpose of the review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent as defined under the NYSE listing standards and our Guidelines, as well as the additional independence requirements applicable to Audit Committee and Compensation Committee members. Based on the review, our Board has affirmatively determined that Messrs. Barr, Gfeller, Hillman and Leffler and Ms. Springer are independent directors under NYSE listing standards and our Guidelines and are independent for purposes of serving on the Audit Committee, Compensation Committee and Nominating and Governance Committee.

Board Committees

Our Board has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Governance Committee. Our committees are composed entirely of independent directors as defined under the rules, regulations and listing qualifications of the NYSE. From time to time, our Board may also create additional committees for special purposes.

The table below provides membership information for each of the Board committees as of the date of this Form 10-K/A:

Audit Committee and Audit Committee Financial Expert

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act. During the year ended December 31, 2019, the Audit Committee held five meetings. The Audit Committee currently consists of Warren H. Gfeller (Chairman), Wayne Barr, Jr., Lee S. Hillman and Robert V. Leffler, Jr., each of whom is an independent director. Our Board has determined that each of Messrs. Barr, Gfeller and Hillman qualify as an “audit committee financial expert” as such term is defined in Item 407(d)(5) of Regulation S-K promulgated by the SEC. The Board has considered the qualifications of the current members of the Audit Committee and has determined that they possess the skills necessary to review and analyze the Company’s financial statements and processes and to fulfill their other duties in accordance with the terms of the Audit Committee Charter.

The Audit Committee is responsible, among its other duties, for appointing, compensating and overseeing the Company’s independent registered public accounting firm, pre-approving all audit and non-audit services by the independent registered public accounting firm, reviewing the scope of the audit plan and the results of each audit with management and the independent registered public accounting firm, reviewing the Company’s internal audit function, reviewing the adequacy of the Company’s system of internal accounting controls and disclosure controls and procedures, reviewing the financial statements and other financial information included in the Company’s annual and quarterly reports filed with the SEC and exercising oversight with respect to the Company’s code of conduct (the “Code of Conduct”) and other policies and procedures regarding adherence with legal requirements. The Audit Committee’s duties are set forth in the Audit Committee Charter. A copy of the Audit Committee Charter is available under the “Investor Relations-Corporate Governance” section of our website at www.hc2.com.

Compensation Committee

During the year ended December 31, 2019, the Compensation Committee held nine meetings. The Compensation Committee currently consists of Robert V. Leffler, Jr. (Chairman), Wayne Barr, Jr., Warren H. Gfeller and Lee S. Hillman, each of whom is independent and a “non-employee director” as defined by Rule 16b-3 under the Exchange Act.

The Compensation Committee is primarily responsible for establishing and periodically reviewing the compensation of our CEO, our other executive officers and recommending for Board approval the compensation for our non-employee directors. The Compensation Committee is also responsible for administering our equity compensation plans, which includes the authority to decide compensation matters pertaining to the Second Amended and Restated 2014 Omnibus Equity Award Plan (the “Second Amended 2014 Plan”), including the approval of equity instruments under the Second Amended 2014 Plan as well as administering and approving the Company’s annual incentive plan, if any. The CEO recommends to the Compensation Committee the compensation for our executive officers other than the CEO. The Compensation Committee is responsible for reviewing and assessing whether the Company’s compensation program encourages excessive risk and determines whether it is competitive in the marketplace. The DGCL generally permits the Compensation Committee to delegate its authority and responsibilities to subcommittees consisting of one or more members of such committee. A copy of the Compensation Committee Charter is available under the “Investor Relations-Corporate Governance” section of our website at www.hc2.com.

In addition, the Compensation Committee has the sole authority to hire, and to dismiss, a compensation consultant.

Nominating and Governance Committee

During the year ended December 31, 2019, the Nominating and Governance Committee held two meetings. The Nominating and Governance Committee currently consists of Robert V. Leffler, Jr. (Chairman), Wayne Barr, Jr., Warren H. Gfeller and Lee S. Hillman.

The Nominating and Governance Committee is responsible for (i) identifying, reviewing and evaluating candidates to serve as directors of the Company, (ii) serving as a focal point for communication between such candidates, non-committee directors and the Company’s senior management, (iii) recommending such candidates to the Board and (iv) making such other recommendations to the Board regarding the governance affairs relating to the directors of the Company (excluding director compensation, which is the responsibility of the Compensation Committee) and advising the Board with respect to Board composition, procedures and committees. The Nominating and Governance Committee’s duties are set forth in the Nominating and Governance Committee Charter. A copy of the Nominating and Governance Committee Charter is available under the “Investor Relations-Corporate Governance” section of our website at www.hc2.com.

Code of Conduct

We have adopted a Code of Conduct applicable to all directors, officers and employees, including the CEO, senior financial officers and other persons performing similar functions. The Code of Conduct is a statement of business practices and principles of behavior that support our commitment to conducting business in accordance with the highest standards of business conduct and ethics. Our Code of Conduct covers, among other things, compliance resources, conflicts of interest, compliance with laws, rules and regulations, internal reporting of violations and accountability for adherence to the Code of Conduct. A copy of the Code of Conduct is available under the “Investor Relations-Corporate Governance” section of our website at www.hc2.com. Any amendment of the Code of Conduct or any waiver of its provisions for a director or executive officer must be approved by the Board or a duly authorized committee thereof. We intend to post on our website all disclosures that are required by law or the rules of the NYSE concerning any amendments to, or waivers from, any provision of the Code of Conduct.

Compensation of Directors

2019 Annual Cash Compensation.

The Company's non-employee directors are paid cash fees on a quarterly basis in arrears, as follows: (i) \$70,000 annual fee for each non-employee director; (ii) \$31,500 annual fee for the Lead Independent Director; (iii) \$25,000 annual fee for the Chair of the Audit Committee; (iv) \$16,000 annual fee for the Chair of the Compensation Committee; (v) \$12,000 annual fee for the Chair of the Nominating and Governance Committee; (vi) \$12,500 annual fee for each member of the Audit Committee other than the Chair; (vii) \$8,000 annual fee for each member of the Compensation Committee other than the Chair; and (viii) \$6,000 annual fee for each member of the Nominating and Governance Committee other than the Chair. Each of these amounts is prorated for non-employee directors who are elected or appointed during the year.

The Company also reimburses non-employee directors for their out-of-pocket expenses incurred in connection with their service on the Board. Employees of the Company, such as our named executive officers, who also serve as directors do not receive separate compensation for service on the Board. Because Mr. Falcone is a named executive officer, his compensation is reflected in the "Compensation Tables-2019 Summary Compensation Table" in the "Compensation Tables" section, rather than in the Non-Employee Director Compensation Table below.

2019 Annual Equity Compensation.

Unless otherwise provided by the Compensation Committee, following each annual meeting of stockholders during the term of the Second Amended 2014 Plan and for so long as equity is available to issue under such plan or a successor plan, each non-employee director is granted an award of restricted stock ("RSAs"). The award of RSAs had a grant date fair market value of \$90,000. In accordance with this policy, on June 13, 2019, the Compensation Committee awarded each of Messrs. Barr, Gfeller, Hillman and Leffler 36,734 shares of restricted stock, two-thirds of which will vest and become non-forfeitable on June 1, 2020, and one-third of which will vest and become non-forfeitable on June 1, 2021 (subject to continued service as a non-employee director through each applicable vesting date).

Indemnification Agreements with Directors and Executive Officers.

The Company has entered into indemnification agreements with each of its directors and executive officers. These agreements require the Company to indemnify such individuals, to the fullest extent permitted by Delaware law, for certain liabilities to which they may become subject as a result of their affiliation with the Company.

Compensation Program Overview, Philosophy and Objectives

The Compensation Committee’s Annual Compensation Decision-Making Process

Following the end of each fiscal year, the Compensation Committee reviews the Company’s performance and the performance of each named executive officer. Based on this review, the Compensation Committee discusses, assesses, and approves any potential base salary increases related to the current fiscal year, awards annual incentive bonuses with respect to the prior fiscal year, and authorizes equity award grants.

Typically, our CEO makes compensation recommendations to the Compensation Committee with respect to compensation of the named executive officers other than himself. With respect to our CEO, the Compensation Committee makes its decisions absent the input of the CEO.

The Compensation Committee believes that individualized consideration of the various compensation elements described below is necessary to provide the flexibility it needs to make appropriate compensation decisions without relying solely on the use of pre-established formulas or benchmarking. Consequently, the Compensation Committee believes it is in the best interest of the Company and our stockholders to conduct its own research regarding executive compensation, which includes a review of executive compensation programs of companies with whom we compete for executive and management-level talent.

In connection with its review process, the Compensation Committee reviews reports on executive compensation trends issued by respected publications, and compiles compensation information through Equilar, proxy statements, compensation-related public disclosures, industry trade journals and other sources. Recognizing that there is no one listed company that has a diverse group of businesses and geographic reach that would be comparable to the Company, the Compensation Committee conducts its compensation analysis by reviewing the compensation practices of companies with similar lines of operating business. The Compensation Committee also considers compensation practices at various investment banking institutions and private equity funds, as it believes the skill sets of its executives overlap with those required by those institutions. The Compensation Committee does not target any particular percentile or comparative level of compensation for executive officers.

For 2019, the Compensation Committee determined that total compensation was at the appropriate level with respect to the executive positions analyzed. While the Compensation Committee took into account the results of compensation review and assessment in structuring our compensation program, other factors such as our general business and industry developments and individual performance influenced the Compensation Committee’s decision as to the appropriate compensation levels and structure for our named executive officers.

The Compensation Committee did not benchmark compensation for our named executive officers at any specific level in 2019.

Philosophy and Objectives

Our compensation program for our named executive officers is designed to recognize the level of responsibility of each executive within the Company, taking into account the executive's role and expected leadership within the Company, as well as to encourage decisions and actions that have a positive impact on our overall performance.

Our compensation philosophy is based upon the following objectives:

- reinforce the achievement of key business strategies and objectives, through the grant of "at-risk" compensation earned based upon achievement of established performance targets;
- reward our executives for outstanding performance and business results, based upon achievement of individual goals and objectives recommended to the Compensation Committee by the CEO with respect to his direct reports or, in the case of the CEO, agreed upon by the CEO and the Compensation Committee;
- value each executive's unique skills and competencies;
- attract and retain qualified executives;
- provide a competitive compensation structure; and
- emphasize the enhancement of stockholder value and align our executives' interests with those of our stockholders.

Elements of Compensation

For fiscal year 2019, our executive compensation program for our named executive officers consisted of the following core elements: (i) an annual base salary and (ii) an annual bonus based on the achievement of Company performance measures and each executive's individual contributions to such achievement, 70% of which is payable in cash in 2020 and 30% of which is payable in cash in 2021, subject to the executive's continued employment. This total mix of payments has allowed us to provide compensation that directly addresses our compensation goals of talent retention, alignment of executive and stockholder interests and linking pay with performance. We also provide our named executive officers with additional benefits, including limited perquisites and participation in a 401(k) plan. The Compensation Committee also from time to time may grant special cash bonuses, sign-on bonuses, cash retention bonuses or incentive equity awards to named executive officers to recognize particularly strong achievement or for specific recruitment or retention purposes. Information on the total compensation of each named executive officer during fiscal year December 31, 2019, is set forth under "2019 Compensation Tables-Summary Compensation Table" below.

Annual Base Salary

The annual base salaries we provide to our named executive officers serve as compensation in recognition of each named executive officer's ongoing contributions to the day-to-day performance of the operational areas for which he or she is responsible. The employment arrangements we maintain with our named executive officers provide for minimum annual base salaries, which may be increased or, in certain circumstances, decreased from time to time at the discretion of the Compensation Committee. Individual performance is reviewed on an annual basis during the Compensation Committee's annual evaluation process, which is designed to ensure consistent global Company results, hold our named executive officers accountable for results (*i.e.*, financial, leadership and individual goals) and set expectations for future results (*i.e.*, actual results against budgeted goals). The goals and objectives considered during the annual evaluation process are prepared and reviewed on an annual basis.

The base salaries for our named executive officers (other than our CEO) also reflect input from our CEO regarding individual performance, Company strategy and retention factors.

Our named executive officers other than Mr. Falcone each are entitled to receive an annual base salary of \$300,000 pursuant to their respective employment agreements, and Mr. Falcone is entitled to receive a base salary of \$600,000. None of our named executive officers received a base salary increase in 2019. For more detail for each named executive officer's base salary please see "2019 Compensation Tables-Summary Compensation Table" and "Employment Arrangements and Potential Payments Upon Termination or Change in Control."

Annual Bonus Plan and Stock-Based Compensation

Stock-Based Compensation

On April 11, 2014, the Board adopted the HC2 Holdings, Inc. Omnibus Equity Award Plan (the "2014 Omnibus Plan") and, subject to stockholder approval, subsequently adopted the Amended and Restated 2014 Omnibus Equity Award Plan (the "Amended 2014 Plan," and together with the 2014 Omnibus Plan, the "Prior Plans") on April 21, 2017, and the Second Amended 2014 Plan (the "Second Amended 2014 Plan") on April 20, 2018. The Compensation Committee administers the Prior Plans and the Second Amended 2014 Plan and has broad authority to administer, construe and interpret the plans. The Second Amended 2014 Plan provides for the grant of awards of non-qualified stock options, incentive (qualified) stock options, stock appreciation rights, RSAs, restricted stock units ("RSUs"), other stock based awards, performance compensation awards (including cash bonus awards) or any combination of the foregoing.

Establishment of Bonus Pool

The Board adopted the 2019 HC2 Executive Bonus Plan (the “Bonus Plan”) on April 25, 2019. The Bonus Plan became effective for fiscal year 2019 and will remain in effect for each fiscal year thereafter until amended or terminated by the Compensation Committee. During fiscal year 2019, all of the named executive officers participated in the Bonus Plan.

Under the Bonus Plan, executive officers are eligible to earn annual compensation opportunities consisting of both cash and stock-based awards. By providing for a mix of both cash and equity, the Bonus Plan is designed to (i) offer variable compensation that provides competitive levels of total pay to executives if the Company achieves target-level performance results and (ii) reward and encourage long-term value creation by executives. Awards under the Bonus Plan are granted annually with a portion paid immediately in cash and a portion subject to be paid (or in the case of equity awards, vested) in future years so as to provide an additional retention feature.

Each named executive officer had two bonus components under the Bonus Plan with respect to 2019: (i) a corporate bonus based on the achievement of goals and objectives set by the Compensation Committee (and, other than for Mr. Falcone, based on the recommendations of the Company’s CEO) tied directly to the financial and strategic goals of the Company (the “Corporate Bonus”), and (ii) an individual bonus based on achievement of individual goals and objectives set by the Compensation Committee (and, other than for Mr. Falcone, based on the recommendations of the Company’s CEO) (the “Individual Bonus”).

For fiscal year 2019, the named executive officers’ Corporate Bonus, if any, was based on the change in the Company’s “Net Asset Value” (as defined below) from the beginning of the Company’s 2019 fiscal year to the end of the Company’s 2019 fiscal year end (“NAV Return”), in excess of a threshold NAV Return level established by the Compensation Committee at the beginning of the 2019 performance year (the “Fiscal Year 2019 Threshold NAV Return”), as well as an assessment of how well the named executive officer was able to adapt to changes and obtain overall financial results in the Company’s businesses and industries and contribute to the NAV Return.

For fiscal year 2019, NAV Return was based on the amount calculated as the product of (i) the percentage change in the Net Asset Value per share of the Company from the beginning of fiscal year 2019 to the end of fiscal year 2019 *multiplied by* (ii) the Net Asset Value at the beginning of 2019. The Bonus Plan provides that 12% of the excess, if any, of the NAV Return for fiscal year 2019 over fiscal year 2019 Threshold NAV Return is to be allocated to fund the bonus pool for Corporate Bonuses awarded to our named executive officers and other key employees. Pursuant to the Bonus Plan, this amount may be reduced by the Compensation Committee pursuant to its exercise of negative discretion.

The Bonus Plan provides that, if the NAV Return is above the Threshold NAV Return, the Compensation Committee may award a Corporate Bonus up to two times the participants’ target Corporate Bonus (i) 40% in cash, (ii) 9% as stock options that vest and become exercisable if the participant remains employed through the first anniversary of the date of grant and (iii) 51% as restricted stock units or restricted stock that vest if the participant remains employed through the first anniversary of the date of grant. Any Corporate Bonus paid in excess of two times the participant’s target Corporate Bonus (“Excess Award Value”) may be awarded (i) 40% in cash, (ii) 9% as stock options that generally vest and become exercisable in two substantially equal installments if the executive remains employed through each of the second and third anniversary of the date of grant and (iii) 51% as restricted stock that generally vests in two substantially equal installments if the executive remains employed through each of the second and third anniversary of the date of grant.

For the purpose of the foregoing calculation, the Company’s “Net Asset Value” is generally calculated by (i) starting with the value of the Company’s “Net Asset Value,” as such term is defined in the certificates of designation governing our Preferred Stock (the “Preferred Stock Certificates”) (but without taking into account any discount with respect to appreciation on assets), (ii) then subtracting from such amount the Company’s deferred tax liabilities, (iii) then adding to such amount the Company’s capital contributions to fund start-up businesses, which is subject to a \$10 million cap, (iv) then adding to such amount the Company’s deferred financing costs, (v) then adding to such amount the value of the Company’s assets that have not been appraised, which is subject to a \$20 million cap, (vi) then adding to such amount expenses incurred in connection with completing any acquisitions by the Company within the past 12 months, and (vii) excluding any accretion on preferred stock (calculated in the manner contained in the Preferred Stock Certificates). The Company then makes adjustments to eliminate the effects of any conversion of Preferred Stock into Common Stock and equity issuances during the period.

The Compensation Committee believes that NAV Return is a good proxy for value creation for the Company and its stockholders because it is designed to encourage, among other things, the generation of cash flow by the Company’s subsidiaries and transactions resulting in appreciation of the assets of the Company and its subsidiaries. Further, our Compensation Committee believes that paying a bonus consistently based on NAV Return that is partially subject to vesting over a number of years, encourages a long-term focus on value creation for the benefit of our stockholders.

The Company’s NAV declined by 26.1% during the fiscal year ended December 31, 2019. As a result, the named executive officers were not eligible to receive a Corporate Bonus in respect of the 2019 performance year and an aggregate \$800,000 in unpaid deferred cash compensation previously awarded to the applicable named executive officers in 2017 and 2018 under the 2014 Executive Bonus Plan (the predecessor of the Bonus Plan) was forfeited pursuant to certain claw back provisions contained in the 2014 Executive Bonus Plan.

Corporate Bonuses Awarded in Respect of 2019 Performance

No Corporate Bonus amounts were paid in respect of 2019.

Individual Performance Bonuses Awarded in Respect of 2019 Performance

As stated above, for fiscal year 2019, a portion of the annual bonus (namely, the Individual Bonus) was based on individual performance achievement against certain pre-established goals. For Messrs. Falcone, Sena and Ferraro, and Ms. Herbst, their target Individual Bonus was

set at \$100,000. The performance goals for each named executive officer's Individual Bonus were determined by our Compensation Committee on an individual basis. Participants were eligible to earn between 0% and 500% of their individual target bonus based on achievement of these individual performance goals. These Individual Bonuses could have been earned even if NAV Return during fiscal year 2019 did not exceed the Fiscal Year 2019 Threshold NAV Return. Individual Bonus awards with respect to 2019 will be paid solely in cash.

For fiscal year 2019 our Compensation Committee established both objective and subjective performance goals for Mr. Falcone's Individual Bonus, which were to: (i) receive dividends from subsidiaries, (ii) broaden and strengthen the Company's corporate platform through acquisitions and investments, (iii) improve the Company's financial flexibility, (iv) remain in compliance with all existing or new debt covenants, and (v) work closely with subsidiaries to help in expansion of their platforms.

For fiscal year 2019 our Compensation Committee established both objective and subjective performance goals for Mr. Sena's Individual Bonus, which were to: (i) improve accounting and financial procedures and internal control, (ii) receive dividends from subsidiaries, (iii) identify and manage accounting and financial priorities and business risks, and (iv) foster growth and teamwork of the finance department.

For fiscal year 2019 our Compensation Committee established both objective and subjective performance goals for Mr. Ferraro's Individual Bonus, which were to: (i) establish policies and procedures for implementing the highest standards of regulatory legal compliance; (ii) provide high quality legal representation to HC2 with respect to deal-related matters, governance, stockholder agreements, annual meetings, proxy and relevant public filings, and debt/equity offering memorandums/shelf registrations (as directed by the CEO to raise capital); (iii) reduce spending on outside legal fees and filings; (iv) meet all priorities agreed to with the CEO; and (v) foster growth and teamwork of the legal department.

For fiscal year 2019 our Compensation Committee established both objective and subjective performance goals for Ms. Herbst's Individual Bonus, which were to: (i) improve HR, IT and general services both at the parent and the subsidiary level; (ii) meet all priorities as agreed to with the CEO; (iii) foster growth and teamwork of the HR Department; and (iv) analyze and build out a shared services platform.

Based on an assessment of each named executive officer's achievement of their respective pre-established performance goals for the Individual Bonus in respect of fiscal year 2019 performance, the Compensation Committee determined that Mr. Sena earned an Individual Bonus of \$340,000 and that each of Mr. Ferraro and Ms. Herbst earned an Individual Bonus of \$500,000. Mr. Falcone did not receive an Individual Bonus in respect of fiscal year 2019 performance. 70% of each named executive officer's Individual Bonus will be paid in 2020, and the remaining 30% of each named executive officer's Individual Bonus will be paid in 2021, subject to the executive's continued employment.

The table below shows the amounts awarded to each named executive officer under the Bonus Plan in respect of fiscal year 2019 performance:

Cash amounts payable pursuant to the Bonus Plan are included in the column titled "Non-Equity Incentive Plan Compensation" in the "Compensation Tables-2019 Summary Compensation Table" for fiscal year 2019 (although no amounts are actually payable until after the end of fiscal year 2019). However, in the case of equity awards, the SEC disclosure rules require that the "Compensation Tables-2019 Summary Compensation Table" and the "Grants of Plan-Based Awards" table include for each fiscal year the aggregate fair value, as of the grant date, of equity awards granted only during the applicable fiscal year. If equity awards had been earned by our named executive officers pursuant to the Bonus Plan in respect of fiscal year 2019 performance, such equity awards would have been granted following the end of fiscal year 2019. As these equity awards would have been made after the end of fiscal year 2019, they would not be included in the "Compensation Tables-2019 Summary Compensation Table" and "Grants of Plan-Based Awards" table in this Form 10-K/A, but in accordance with SEC rules will be included in next year's table for our named executive officers in fiscal year 2020.

Other Benefits

The named executive officers receive limited benefits that would be considered executive benefits. Most benefits are consistent with those offered generally to employees, which consist of life insurance, travel accident insurance, health insurance, dental insurance, vision insurance, short-term and long-term disability and opportunities to participate in the Company's 401(k) plan. The Company matches 50% of the employee's 401(k) plan contributions, up to the first 6% of such employee's salary, with a maximum of \$6,000 annually.

Advisory Vote on Executive Compensation ("Say on Pay Vote")

Our Compensation Committee and our Board considered the results of our stockholder vote regarding the non-binding resolution on executive compensation presented at the 2019 Annual Meeting of Stockholders (the "2019 Annual Meeting") and decided to engage in robust outreach with the Company's stockholders. Following the 2019 Annual Meeting, at the Board's discretion, we have reached out to investors representing more than 58% of outstanding shares with the goal of identifying, understanding and addressing the concerns of our stockholders with respect to our executive compensation program. While not all of our investors felt a need to engage, we had productive and valuable discussions with those investors who responded and expect to implement changes based on feedback we received as part of those discussions as part of our 2020 compensation program. The Compensation Committee takes very seriously its role in the governance of the Company's compensation programs and values input from the Company's stockholders, and will consider the results of future Say on Pay Votes in connection with making its compensation-related decisions to the extent it deems it appropriate to do so.

Clawback / Forfeiture

Pursuant to the equity agreements under the equity incentive plans, incentive compensation for employees is subject to recoupment in the event that, for example, the Company restates its reported financial results, makes a mistake in calculations (to the extent that either such occurrence resulted in an excess award amount being paid) or to the extent required by applicable law (including, Section 302 of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") and Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act")).

Potential Payments to Named Executive Officers Upon Termination or Change in Control

Our employment arrangements and severance guidelines (the "Severance Guidelines") provide for certain payments to be made to our named executive officers in the event that their employment with the Company is terminated. Severance benefits are an important tool in attracting and retaining key employees and provide a degree of financial security to those employees.

Outstanding equity awards granted under the 2014 Omnibus Plan may be accelerated by the Board upon a Change in Control (as defined in the 2014 Omnibus Plan), such that award recipients have the ability to participate in the change in control with respect to Common Stock subject to such awards.

Outstanding equity awards granted under the Second Amended 2014 Plan and the Amended 2014 Plan, unless otherwise determined by the Compensation Committee on the date of grant or as set forth in the applicable award agreement, will not accelerate solely as a result of a Change in Control (as defined in the Second Amended 2014 Plan and the Amended 2014 Plan) if a "replacement award" (as defined in the Second Amended 2014 Plan and the Amended 2014 Plan) is promised to a participant in connection with the Change in Control. The vesting of a replacement award will only accelerate in connection with the Change in Control if the participant's employment is involuntarily terminated by the Company (or a successor thereto) within two years following such Change in Control.

For further information regarding the potential severance and change in control benefits provided to our named executive officers pursuant to our employment and equity award arrangements with such named executive officers, as well as our Severance Guidelines, see "Employment Arrangements and Potential Payments Upon Termination or Change in Control."

Tax Considerations

If a named executive officer is entitled to nonqualified deferred compensation benefits that are subject to Section 409A of the IRC, and such benefits do not comply with Section 409A, the executive would be subject to adverse tax treatment, including accelerated income recognition (in the first year that benefits are no longer subject to a substantial risk of forfeiture) and an additional income tax of 20% of the amount so recognized. The employment arrangements of our named executive officers described herein, the Second Amended 2014 Plan and the Prior Plans, generally contain provisions intended to limit or eliminate adverse tax consequences through timing of payments.

Section 162(m) of the IRC generally places a limit of \$1 million per year on the amount of compensation paid to certain of our executive officers that the Company may deduct from our federal income tax return for any single taxable year.

The Tax Cuts and Jobs Act, enacted on December 22, 2017, substantially modified Section 162(m) of the IRC and, among other things, eliminated the performance-based exception to the \$1 million deduction limit effective as of January 1, 2018. As a result, beginning in 2018, compensation paid to certain executive officers in excess of \$1 million are generally nondeductible, whether or not it is performance-based. In addition, beginning in 2018, the executive officers subject to Section 162(m) of the IRC (the "Covered Employees") include any individual who served as the CEO or chief financial officer ("CFO") at any time during the taxable year and the three other most highly compensated executive officers (other than the CEO and CFO) for the taxable year, and once an individual becomes a Covered Employee for any taxable year beginning after December 31, 2016, that individual will remain a Covered Employee for all future years, including following any termination of employment.

The Tax Cuts and Jobs Act includes a transition rule under which the changes to Section 162(m) of the IRC described above will not apply to compensation payable pursuant to a written binding contract that was in effect on November 2, 2017 and is not materially modified after that date. To the extent applicable to our existing contracts and awards, the Compensation Committee may avail itself of this transition rule. However, to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals in the best interest of the Company, the Compensation Committee will not limit its actions with respect to executive compensation to preserve deductibility under Section 162(m) of the IRC if the Compensation Committee determines that doing so is in the best interests of the Company.

Compensation Committee Interlocks and Insider Participation

During 2019 and currently, the Compensation Committee consists of Robert V. Leffler, Jr. (Chairman), Wayne Barr, Jr., Warren H. Gfeller and Lee S. Hillman. None of the members of the Company's Compensation Committee during 2019: (i) served as an officer or employee of the Company during 2019, (ii) was formerly an officer of the Company or (iii) has had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K.

During 2019: (i) none of our executive officers served as a member of a compensation committee (or other body performing a similar role) of another entity, any of whose executive officers served on our Compensation Committee; (ii) none of our executive officers served as a director of another entity, any of whose executive officers served on our Compensation Committee; and (iii) none of our executive officers served as a member of the compensation committee (or other body performing a similar role) of another entity, any of whose executive officers served as one of our directors.

Anti-Pledging Policy

Our insider trading policy prohibits pledging, subject to certain exceptions as set forth therein. Under the policy, directors and employees of the Company or its subsidiaries and controlled affiliates and family members living in their households ("Covered Persons") are not permitted to pledge securities of the Company ("Company Securities") to secure loans, nor are they permitted to purchase securities of the Company on margin (other than in a cashless exercise of stock options). An exception to this prohibition may be granted by the Chief Legal Officer where a Covered Person wishes to pledge Company Securities as collateral to secure loans or purchase Company Securities on margin where, among other factors, the Covered Person clearly demonstrates the financial capacity and liquidity to repay the loan without resort to the pledged securities; provided that Covered Persons may only pledge Company Securities if (i) such securities represent less than 25% of the Company Securities held by such employee (excluding any unvested equity awards); (ii) such Company Securities represent less than 5% of the outstanding capital stock of the Company; and (iii) a request for approval of the Chief Legal Officer is submitted at least two weeks prior to execution (unless the Chief Legal Officer waives or shortens such notice requirement) and approval is granted. If an individual that was not previously a Covered Person (x) holds Company Securities in a margin account or is pledging Company Securities as a collateral of a loan and (y) becomes a Covered Person, such Covered Person shall promptly request approval from the Chief Legal Officer, and such approval shall be provided if such arrangement was already in place before the individual initially became a Covered Person and, as reasonably determined by the Chief Legal Officer, the aggregate amount of such Company Securities in the margin account and/or pledged is not material.

Anti-Hedging Policy

Pursuant to our insider trading policy, Covered Persons are not permitted to purchase financial instruments that are designed to hedge or offset any decrease in the market value of Covered Securities or otherwise engage in any other type of transaction involving Covered Securities that would have similar economic consequences.

COMPENSATION TABLES

2019 Summary Compensation Table

The following table sets forth, for the fiscal years ended December 31, 2019, 2018 and 2017, the total compensation paid or accrued to our named executive officers as determined in accordance with SEC disclosure rules.

In the case of equity awards granted to our named executive officers, the SEC disclosure rules require that the “Summary Compensation Table” include the aggregate accounting grant date fair value of equity awards granted during the applicable fiscal year. While these amounts represent the grant date accounting value of the awards, they do not represent amounts actually paid to the named executive officer in the applicable year or that may be paid in the future. In addition, certain cash awards earned by the named executive officers under the Bonus Plan that are included in the “Summary Compensation Table” were subject to deferral and not payable until subsequent years as an additional retention measure and a portion of those amounts were subject to clawback under the terms of the Bonus Plan due to NAV performance in 2019 and therefore will not be paid to the applicable named executive officers, but the SEC disclosure rules do not permit reduction of the bonus amounts for the applicable years to reflect the deferral or the clawback.

As an example, with respect to Mr. Falcone, while the “Summary Compensation Table” below indicates pursuant to SEC disclosure rules that Mr. Falcone received total compensation equal to \$11,535,545 and \$8,141,699 in 2018 and 2017, respectively, Mr. Falcone actually only received a total of \$3,046,132 in cash compensation in 2018 (representing \$600,000 in base salary and \$2,446,132 earned pursuant to the Bonus Plan in respect of the 2018 performance year) and a total of \$4,850,937 in cash compensation in 2017 (representing cash earned pursuant to the Bonus Plan in respect of the 2017 performance year). Further, the payment of a portion of the cash compensation earned pursuant to the Bonus Plan in respect of the 2018 and 2017 performance years that is included in the table was deferred under the terms of the Bonus Plan in respect of such years and was not actually paid in 2018 and 2017, respectively, because it was subject to deferral under the Bonus Plan, and a total of 46% and 23%, respectively, of those deferred amounts, were subject to clawback under the terms of the Bonus Plan due to NAV performance in 2019 and will therefore not be paid. The remainder of Mr. Falcone’s compensation shown in the table for 2018 and 2017 consists of the grant date accounting value of equity awards granted pursuant to the Bonus Plan in respect of the 2017 and 2016 performance years, respectively, which vest over time following the date of grant, and includes values for stock option awards which currently have no intrinsic value because the options are underwater.

(1) The amounts in this column represent cash bonuses granted to our named executive officers as sign-on bonuses or minimum bonuses required to be paid pursuant to employment agreements.

(2) These amounts represent the aggregate grant date fair value of RSAs and/or RSUs granted in 2019, 2018 and 2017, as applicable, computed in accordance with ASC 718. A discussion of the assumptions used in determining grant date fair value may be found in Note 19 to our Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2019. Messrs. Falcone, Sena and Ferraro were promised certain equity awards in 2019 in the form of RSUs in respect of the 2018 performance period, but an accounting charge for those awards was not taken because the vesting of such equity awards is subject to stockholder approval of a sufficient number of shares under the Second Amended 2014 Plan sufficient to satisfy the settlement of such equity awards, so no amount has been included in the table in respect of 2019 for these promised awards.

(3) The amounts in this column represent the aggregate grant date fair value of stock option awards granted in 2019, 2018 and 2017, as applicable, computed in accordance with ASC 718. A discussion of the assumptions used in determining grant date fair value may be found in Note 19 to our Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2019. Messrs. Falcone, Sena and Ferraro were promised certain equity awards in 2019 in the form of stock options in respect of the 2018 performance period, but an accounting charge for those awards was not taken in 2019 because the exercisability of those awards is

subject to stockholder approval of a sufficient number of shares under the Second Amended 2014 Plan sufficient to satisfy the exercise of the awards, so no amount has been included in the table in respect of 2019 for these promised awards.

- (4) The amounts in this column represent annual cash incentive payments under our Bonus Plan. Amounts reported for each year are based on performance in such year, even if paid subsequent to year-end. See “Compensation Discussion and Analysis-Annual Bonus Plan and Stock-Based Compensation” above for a description of the Bonus Plan, which provides for the payment of amounts earned with respect to the 2019 performance period in cash. See page 12 for an explanation of the method by which the cash payments in this column are calculated and paid.
- (5) The amounts in this column represent matching contributions made by the Company to the Company’s 401(k) plan on behalf of each of the named executive officers who participated in such plan.
- (6) Mr. Falcone resigned from his position as Chairman of the Board effective April 1, 2020.

2019 Grants of Plan-Based Awards

- (1) Amounts shown reflect the aggregate grant date fair value in accordance with ASC 718. For a discussion of valuation assumptions, see Note 19 in the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2019. Pursuant to the Bonus Plan, a bonus pool is established in an amount based on the Company’s NAV Return in excess of a threshold NAV Return amount. Each named executive officer may be granted an Individual Bonus and a Corporate Bonus under the Bonus Plan, based on his or her achievement of individual and corporate-related performance goals, respectively. Pursuant to the Bonus Plan, Corporate Bonus awards are paid out in a mix of cash and equity early in the year following the performance year following an evaluation of Company and individual results. Messrs. Falcone, Sena and Ferraro were promised certain equity awards in 2019 in the form of RSUs in respect of the 2018 performance period, but an accounting charge for those awards was not taken because the vesting or exercisability, as applicable, of such equity awards is subject to stockholder approval of a sufficient number of shares under the Second Amended 2014 Plan sufficient to satisfy the settlement or exercise, as applicable, of such equity awards, so no disclosure has been included in the table in respect of 2019 for these promised awards.

- (2) Mr. Falcone resigned from his position as Chairman of the Board effective April 1, 2020.

The Company's Severance Guidelines provide that upon such termination, (i) the CEO shall receive 12 months of annual base salary *plus* 12 months of COBRA premiums, if eligible, and (ii) the Chief Financial Officer, Chief Legal Officer and Chief Administrative Officer each shall receive six months of annual base salary *plus* six months of COBRA premiums, if eligible. Treatment of Equity Awards of Our Named Executive Officers Upon Termination

Pursuant to the named executive officers' employment agreements, the Second Amended 2014 Plan, the Prior Plans and the award agreements thereunder, named executive officers are generally not entitled to receive accelerated vesting of any unvested RSAs, RSUs and stock options by reason of the named executive officer's termination of his employment with the Company, except as provided below:

- awards granted under the Second Amended 2014 Plan and the Amended 2014 Plan, unless otherwise determined by the Compensation Committee on the date of grant or as set forth in the applicable award agreement, will accelerate upon involuntary termination if within two years of a Change in Control if the award is a replacement award (as such terms are defined in the applicable plan); and
- vested options issued under any of the plans generally remain exercisable for a period of time following termination, the extent of which depends on the reason for the termination, except that in the event the grantee is terminated for Cause (as defined in the applicable plan), any vested and unexercised options would also be forfeited.
- Treatment of Unvested Equity Awards of Our Named Executive Officers Upon a Change in Control or Similar Transaction
- Outstanding equity awards granted under the Second Amended 2014 Plan and the Amended 2014 Plan, unless otherwise determined by the Compensation Committee on the date of grant or as set forth in the applicable award agreement, will not accelerate solely as a result of a Change in Control (as defined in the applicable plan) if a "replacement award" (as defined in the applicable plan) is promised to a participant in connection with such change in control. The vesting of a replacement award will only accelerate in connection with a change in control if the participant's employment is involuntarily terminated by the Company (or a successor thereto) within two years following such change in control.

- Outstanding equity awards granted under the 2014 Omnibus Plan may be accelerated by the Board upon a Change in Control (as defined in the 2014 Omnibus Plan), such that award recipients have the ability to participate in the change in control with respect to Common Stock subject to such awards.
- Pursuant to the terms of Mr. Falcone's options granted in 2014 and 2015 (the "Falcone Options"), any unvested portions of the Falcone Options are accelerated upon the occurrence of a Fundamental Change Transaction (as defined in the applicable award agreement), which includes, among other transactions, any sale or other disposition of all or substantially all of the Company's assets or the acquisition of a majority of the voting power of its capital stock by certain third parties. All of the Falcone Options are vested as of the date of this Form 10-K/A. Options granted to Mr. Falcone after 2015 will not automatically accelerate upon a change in control.

The following chart sets forth the estimated incremental benefits which our named executive officers would have received if the unvested RSAs, RSUs and options held by them as of December 31, 2019, had become fully vested as a result of the occurrence of (i) an involuntary termination within two years of a Change in Control, for purposes of the Second Amended 2014 Plan and the Amended 2014 Plan and (ii) a Change in Control, for purposes of the 2014 Omnibus Plan, in each case, on December 31, 2019. The estimated amount of benefits was calculated by multiplying the closing price on December 31, 2019, of the Common Stock of \$2.64 per share on the NYSE by (i) with respect to RSAs and RSUs, the number of unvested RSAs and RSUs held by the applicable named executive officer, and (ii) with respect to options, the number of unvested options held by the applicable named executive officer, and subtracting the exercise price with respect to such options.

Named Executive Officer	Accelerated Vesting of RSAs and Options Under Second Amended 2014 Plan and Prior Plans (\$) ⁽¹⁾	Accelerated Vesting of Mr. Falcone's Options (\$) ⁽²⁾	Total Estimated Benefits (\$)
Philip A. Falcone	1,947,714	—	1,947,714
Michael J. Sena	260,736	—	260,736
Joseph A. Ferraro	124,990	—	124,990
Suzi Raftery Herbst	170,228	—	170,228

(1) Assumes that the Board exercised its discretion under the Second Amended 2014 Plan and the Prior Plans to accelerate the vesting of all unvested RSAs and options in connection with the change in control. The exercise price of all options held by our named executive officers is greater than the market price of the Common Stock. Therefore the accelerated vesting value of options is \$0.

(2) All Falcone Options are vested as of the date of this Form 10-K/A and the exercise price of all options held by Mr. Falcone is greater than the market price of the Common Stock. Therefore the accelerated vesting value of options is \$0.

PAY RATIO

Pursuant to Section 953(b) of the Dodd-Frank Act and Item 402(u) of Regulation S-K, we are providing the following estimate of the ratio of the annual total compensation of our Chief Executive Officer to the median of the annual total compensation of all other employees.

We identified the median employee by examining the fiscal year 2019 total cash compensation for all employees (other than our Chief Executive Officer), who were employed by us on December 31, 2019 (excluding employees of Global Marine Systems Limited, which is a former indirect subsidiary of the Company). In making this determination, (i) we included all employees of the Company and our consolidated subsidiaries, which includes entities that conduct business in a wide variety of different industries, whether employed on a full-time or part-time basis, whether employed for all or only a portion of the 2019 fiscal year, and whether located in the United States or in another country (including Australia, Canada, India, New Zealand, the Philippines, Romania, Thailand, and the U.K.) and (ii) we did not annualize the compensation of any of our employees who worked less than the entire year, even though certain of our consolidated subsidiaries conduct business on a cyclical basis throughout the year.

We calculated all of the elements of the median employee's compensation for fiscal year 2019 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in an annual total compensation of \$17,250. Our Chief Executive Officer's annual total compensation for fiscal year 2019 was \$600,000, as disclosed in the Summary Compensation Table appearing on page 15. Based on the foregoing, our estimate of the ratio of the annual total compensation of our Chief Executive Officer to the median of the annual total compensation of all other employees was approximately 35 to 1.

Given the various methodologies that public companies are permitted to use to determine an estimate of their pay ratios, the estimated ratio reported above should not be used as a basis for comparison between companies.

Item 13. Certain Relationships and Related Transactions, and Director Independence

CERTAIN RELATIONSHIPS

Policies and Procedures for Related Person Transactions

In accordance with our Guidelines, the Board shall evaluate and approve, ratify or disapprove, in consultation with the Audit Committee or another committee designated by the Board for such purpose, any related person transaction, based on whether such transaction presents inappropriate conflicts of interest, impairs the “independence” of any related person (as defined in Item 404 of Regulation S-K) and/or is fair to the Company.

Pursuant to the Audit Committee Charter, the Audit Committee has the authority to establish and implement policies and procedures for the Audit Committee’s review and approval or disapproval of proposed transactions, arrangements or relationships with respect to which executive officers, directors or holders of more than 5% of any class of the Company’s outstanding stock or members of their immediate families have a direct or indirect material interest (“Related Party Transactions”). The Audit Committee has adopted written procedures to evaluate and approve the terms and conditions of Related Party Transactions (the “Procedures”). The Procedures provide, among other things, that at each of the Audit Committee’s meetings, and in no event less than on a quarterly basis, the Audit Committee will be provided with the details of each existing or proposed Related Party Transaction that it has not previously approved, ratified or disapproved.

In determining whether to approve a Related Party Transaction, the Procedures provide that the Audit Committee will consider the following factors, among others, to the extent relevant to the Related Party Transaction: (i) whether the terms of the Related Party Transaction are fair to the Company and on terms at least as favorable to the Company as would apply if the other party was not or did not have an affiliation with a director, executive officer or employee of the Company, (ii) whether there are demonstrable business reasons for the Company to enter into the Related Party Transaction, (iii) whether the Related Party Transaction would impair the independence of a director, and (iv) whether the Related Party Transaction would present an improper conflict of interest for any director, executive officer or employee of the Company, taking into account the size of the transaction, the overall financial position of the director, executive officer or employee, the direct or indirect nature of the interest of the director, executive officer or employee in the transaction, the ongoing nature of any proposed relationship, and any other factors the Audit Committee or the Chairman of the Audit Committee deems relevant. The Procedures further provide that in the event that the Company becomes aware of a Related Party Transaction that was not approved by the Audit Committee prior to consummation, such transaction shall be reviewed and ratified as promptly as reasonably practicable.

Certain Related Person Transactions

In January 2015, the Company entered into an arm’s length services agreement (the “Services Agreement”) with Harbinger Capital, a related party of the Company. The Services Agreement includes the provision of services such as providing office space, certain administrative salaries and benefits, and other overhead, and each party making available their respective employees to provide services as reasonably requested by the other party, subject to any limitations contained in applicable employment agreements and the terms of the Services Agreement.

The costs allocated between the Company and Harbinger Capital are based on actual use. Office space is an allocation of actual costs based on square footage and directly used by HC2 employees. Time of administrative personnel is allocated by time spent on each entity and other shared overhead is based on actual shared overhead and is allocated based on amounts used for each vendor.

Management of shared overhead and certain administrative personnel were transferred to HC2 at the beginning of 2019. Both of these services are charged back to Harbinger Capital on the same basis described above.

Item 14. Principal Accountant Fees and Services

Independent Registered Public Accounting Firm Fees

The following table summarizes the aggregate fees paid by us to BDO and its affiliates in 2019 and 2018 (in thousands):

Tax Fees ⁽²⁾	25	55
All Other Fees	—	—
Total	<u>\$ 4,325</u>	<u>\$ 5,645</u>

(1) Fees for audit services include audit of financial statements and audit of internal controls over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act, reviews of quarterly financial statements and other matters related to SEC filings and capital market activities. Also included are statutory audit fees paid by our subsidiaries.

(2) Fees for tax services include earnings, profit and dividends analysis, Section 162(m) analysis, and state and local tax studies.

Pre-Approval Policy

The services performed by BDO in 2019 were pre-approved in accordance with the pre-approval policy and procedures adopted by the Audit Committee. This policy describes the permitted audit, audit-related, tax, and other services (collectively, the “Disclosure Categories”) that the independent registered public accounting firm may perform.

On a quarterly basis, the Audit Committee reviews a description of services (the “Service List”) expected to be performed by the independent registered public accounting firm in each of the Disclosure Categories, the status of services and fees incurred year-to-date against the original Service List and pre-approval limits and the forecast of remaining services and fees for the fiscal year.

Services provided by the independent registered public accounting firm during 2019 and included in the Service List were pre-approved in accordance with the policies and procedures of the Audit Committee. Any requests for audit, audit-related, tax, and other services contemplated on the Service List must be submitted to the Audit Committee for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the Chairman of the Audit Committee. The Chairman must update the Audit Committee at the next regularly scheduled meeting of any services that were granted specific pre-approval.
